Proforma for Submission of list of Products

Sl. No.	Name of Products	ITC HS Code	Manufacturers Name and Address	Is the product licensed under the Drugs and Cosmetics Act for manufacture and sale.	Description of the product including use (attach literature, if required.)
1	Blood collection monitor	90189099	Meditech. 6 president terrace. Takli Road. Dwarka.Nashik-422011	N.A.	This electronic equipment is used to mix the blood during collection from donor
2	Blood tube sealer	90189099	Meditech. 6 president terrace. Takli Road. Dwarka.Nashik-422011	N.A.	This electronic equipment is used to seal the tubes of bags
3	Blood Bank Refrigerator	84185000	Meditech. 6 president terrace. Takli Road. Dwarka.Nashik-422011	N.A.	This electronic equipment is cooling device, used to store blood
4	Plasma Freezer	84185000	Meditech. 6 president terrace. Takli Road. Dwarka.Nashik-422011	N.A.	This electronic equipment is cooling device used to store plasma from -20 to -86 degree centigrade
5	Lab Freezers	84185000	Meditech. 6 president terrace. Takli Road. Dwarka.Nashik-422011	N.A.	This electronic equipment is cooling device used to store chemicals and reagents in Lab
6	Lab Refrigerators	84185000	Meditech. 6 president terrace. Takli Road. Dwarka.Nashik-422011	N.A.	This electronic equipment is cooling device used to store chemicals and reagents in Lab
7	Deep Freezer	84185000	Meditech. 6 president terrace. Takli Road. Dwarka.Nashik-422011	N.A.	This electronic equipment is cooling device used to store chemicals and reagents in Lab
8	Ice Lined Refrigerators	84183010	Meditech. 6 president terrace. Takli Road. Dwarka.Nashik-422011	N.A.	This electronic equipment is cooling device used to store chemicals and reagents in Lab
9	Vacuum Chamber	96170019	Meditech. 6 president terrace. Takli Road. Dwarka.Nashik-422011	N.A.	This is electronic device which creates vacuum inside a chamber. It is used for experiments purpose in labs
10	Germination room	84368010	Meditech. 6 president terrace. Takli Road. Dwarka.Nashik-422011	N.A.	Germination room is designed for controlled temperature and humidity for growing plants
11	Blood Donor Couch/ Chair	94021090	Meditech. 6 president terrace. Takli Road. Dwarka.Nashik-422011	N.A.	This is electronically controlled chair for donors during blood collection process

डॉ. अशोक कुमार दाश

 ASST. DIRECTOR, EXPORTS OF FOREIGN TRADE

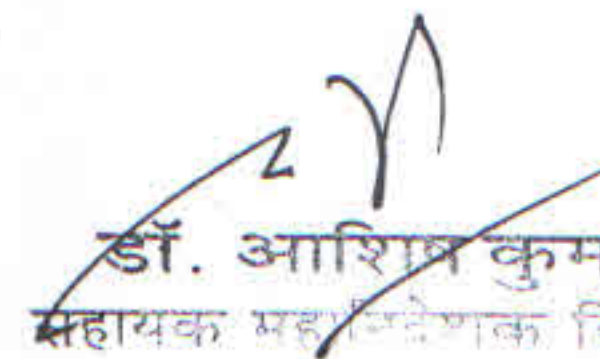

12	Camp Cot	94021090	Meditech. 6 president terrace. Takli Road. Dwarka.Nashik-422011	N.A.	this chair is foldable and used for camping
13	Refrigerated centrifuge	84211910	Meditech. 6 president terrace. Takli Road. Dwarka.Nashik-422011	N.A.	This is a centrifuge with cooled environment to separate blood components
14	Glass Bead Sterilizer	84192090	Meditech. 6 president terrace. Takli Road. Dwarka.Nashik-422011	N.A.	This electronically heated equipment is used for sterilizing instruments
15	Fume Hood	84146000	Meditech. 6 president terrace. Takli Road. Dwarka.Nashik-422011	N.A.	This electronic equipment is used to extract fumes from working environment
16	Biosafety Cabinet	84146000	Meditech. 6 president terrace. Takli Road. Dwarka.Nashik-422011	N.A.	This electronic equipment is used to extract dust from working environment
17	Laminar Air Flow	84146000	Meditech. 6 president terrace. Takli Road. Dwarka.Nashik-422011	N.A.	This electronic equipment is used to extract dust from working environment
18	Bio Chemistry Analyser	90189099	Meditech. 6 president terrace. Takli Road. Dwarka.Nashik-422011	N.A.	This electronic equipment is used for analysing the chemicals present in the blood
19	Elisa Reader and Plate washer	90189099	Meditech. 6 president terrace. Takli Road. Dwarka.Nashik-422011	N.A.	This electronic equipment is used for analysing the chemicals present in the blood
20	Cryo precipitate Bath	84185000	Meditech. 6 president terrace. Takli Road. Dwarka.Nashik-422011	N.A.	This is a refrigerated water bath maintained at 4 degree to freeze plasma after collection
21	Plasma Thawing Bath	85161000	Meditech. 6 president terrace. Takli Road. Dwarka.Nashik-422011	N.A.	this is a water heated bath for thawing plasma at 37 degree C
22	Platelet Incubator Agitator	84185000	Meditech. 6 president terrace. Takli Road. Dwarka.Nashik-422011	N.A.	This is a refrigerated controlled environment used to thaw and shake plasma
23	Chromatography Refrigerator	84185000	Meditech. 6 president terrace. Takli Road. Dwarka.Nashik-422011	N.A.	This electronic equipment is cooling device used to store chemicals and reagents in Lab
24	Autoclave, Horizontal and Vertical	84192010	Meditech. 6 president terrace. Takli Road. Dwarka.Nashik-422011	N.A.	This electronically heated equipment is used for sterilizing instruments
25	Stability Chamber, walk in room	84185000	Meditech. 6 president terrace. Takli Road. Dwarka.Nashik-422011	N.A.	This electronic equipment is cooling device used to store chemicals and reagents in Lab

26	Dual Temperature refrigerator	84185000	Meditech. 6 president terrace. Takli Road. Dwarka.Nashik-422011	N.A.	This electronic equipment is cooling device used to store chemicals and reagents in Lab
27	Magnetic hot plate stirrer	90189099	Meditech. 6 president terrace. Takli Road. Dwarka.Nashik-422011	N.A.	this is electronic hetaed plate for stirring chemicals and water
28	BOD Incuator	84185000	Meditech. 6 president terrace. Takli Road. Dwarka.Nashik-422011	N.A.	this is a controlled temperature environment including cooling and heating of various substance for experiments
29	Bacteriological incubator	84185000	Meditech. 6 president terrace. Takli Road. Dwarka.Nashik-422011	N.A.	this is a controlled temperature environment including cooling and heating of various substance for experiments
30	Muffle furnace	85142000	Meditech. 6 president terrace. Takli Road. Dwarka.Nashik-422011	N.A.	this is a controlled temperature environment including heating of various substance for experiments
31	Incubator	84185000	Meditech. 6 president terrace. Takli Road. Dwarka.Nashik-422011	N.A.	this is a controlled temperature environment including cooling and heating of various substance for experiments
32	Lab Oven	84171000	Meditech. 6 president terrace. Takli Road. Dwarka.Nashik-422011	N.A.	this is a controlled temperature environment including heating of various substance for experiments
33	Polygraph	91062000	Meditech. 6 president terrace. Takli Road. Dwarka.Nashik-422011	N.A.	this is electronically driven drums for experiments in labs
34	Physiograph	91062000	Meditech. 6 president terrace. Takli Road. Dwarka.Nashik-422011	N.A.	this is electronically driven drums for experiments in labs
35	Kymograph	91062000	Meditech. 6 president terrace. Takli Road. Dwarka.Nashik-422011	N.A.	this is electronically driven drums for experiments in labs
36	Cryostat Microtome	84185000	Meditech. 6 president terrace. Takli Road. Dwarka.Nashik-422011	N.A.	this is a controlled temperature environment including cooling of arious substance for experiments
37	Humidity chamber	84185000	Meditech. 6 president terrace. Takli Road. Dwarka.Nashik-422011	N.A.	this is a controlled temperature enviromnent including cooling and heating and humidity control of various substance for experiments

38	Water Bath	85167910	Meditech. 6 president terrace. Takli Road. Dwarka.Nashik-422011	N.A.	This bath is used for heating or cooling of water
39	microscope	90111000	Meditech. 6 president terrace. Takli Road. Dwarka.Nashik-422011	N.A.	This apparatus has lenses made of glass for magnification purpose
40	Plasma extractor, Automatic and manual	90189099	Meditech. 6 president terrace. Takli Road. Dwarka.Nashik-422011	N.A.	This is used to separate blood components
41	Solar powered refrigerator	84185000	Meditech. 6 president terrace. Takli Road. Dwarka.Nashik-422011	N.A.
