

Metabolic Trolleys For Small Rodents

Meditech Technologies India Pvt. Ltd is the largest manufacturer and exporter of Metabolic trolleys for small rodents.

Our mobile, stainless steel rack can accommodate up to eight or ten metabolic cages per rack. The two-tier construction ergonomically positions cages at convenient height levels for easy observations and routine maintenance. Racks are designed to minimize the number of parts necessary, thus reducing labour and saving your valuable time. Racks are supplied in parts ready to assemble for ease of transportation.
